CONDITIONS OF SALE

1. **Definitions.** In these Conditions Glendining & Co. who act only as auctioneers and agents are called "Glendinings" and the representative of Glendinings conducting the auction is called "the Auctioneer".

2. **General.** Whilst Glendinings make every effort to ensure the accuracy of their catalogues and the description of any lot:-

(a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.
(b) Glendinings do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot or any other errors of description.
(c) All statements whether printed in the catalogue or made orally as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendinings.

3. **The Auction.** (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.
(b) The highest bidder shall be the Buyer unless if, during or immediately after the Sale of the Lot, the Auctioneer considers that a dispute has arisen or that there is any other reason for so doing, he has absolute discretion to settle it or to re-offer the Lot.
(c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).
(d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the auctioneer from the rostrum prior to any bid being accepted for the lot.

4. **V.A.T.** The Buyer will be liable to pay V.A.T. at the standard rate on the hammer price on those Lots indicated with a dagger (†) after the Lot number. This V.A.T. is refundable on proof of export by Overseas Buyer.

5. **Premium.** The Buyer shall pay the hammer price together with a premium of 10% of the hammer price. The premium is NOT negotiable and attracts V.A.T. at the Standard Rate and is payable by ALL Buyers.

6. **Recission.** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendinings have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendinings in the same condition as at the time of sale and within a reasonable period thereafter by producing evidence, the burden of proof to be upon the buyer, satisfies Glendinings that considered in the light of the entry in the catalogue the lot is a deliberate forgery then the sale of the lot will be rescinded and the purchase price of the same refunded. The vendor agrees to be bound by Glendinings' decision.

7. **Default.** Glendinings disclaim responsibility for default by either the buyer or the vendor because they act as Auctioneers only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.

8. **Third Party Liability.** Every person on Glendinings' premises at any time shall be deemed to be there at his own risk. He shall have no claim against Glendinings in respect of any accident which may occur or injury, damage or loss howsoever caused, save in so far as the injury, damage or loss shall be caused by the negligence of Glendinings' employees.

Please Note.

The metal in which the coins are struck is indicated thus:—

Æ = gold, *Æ* = silver, *Æ* = copper or bronze.
El = Electrum (an alloy of gold and silver).
Bl = Billon (an alloy of silver and copper).

Care is taken to describe accurately the condition of coins and medals, using the following scale: *Extremely fine*, *Very fine*, *Fine*, and *Good*. Where no condition is stated it may be assumed that the coins and medals are not in good condition.

END OF SALE

STANDARD CONDITIONS OF SALE

1. **Definitions.** In these Conditions Glendining & Co. who act only as auctioneers and agents are called "Glendinings" and the representative of Glendinings conducting the auction is called "the Auctioneer".

2. **General.** Whilst Glendinings make every effort to ensure the accuracy of their catalogues and the description of any lot:-

(a) Each lot as set out in the catalogue or as divided or combined with any other lot or lots is sold by the vendor with all faults, imperfections and errors of descriptions.

(b) Glendinings do not accept responsibility for the authenticity, attribution, genuineness, origin, authorship, date, age, period, condition or quality of any lot or any other errors of description.

(c) All statements whether printed in the catalogue or made orally as to any of the matters set out in (b) above are statements of opinion only and are not to be taken as being or implying any warranties or representations of fact by Glendinings.

3. **The Auction.** (a) The Auctioneer has absolute discretion to divide any lot, to combine any two or more lots or to withdraw any lot or lots from the sale, to refuse bids, regulate bidding or cancel the sale without in any case giving any reason or without previous notice. He may bid on behalf of the vendor for all goods which are being offered subject to reserve or at the Auctioneer's discretion.

(b) The highest bidder shall be the Buyer unless if, during or immediately after the Sale of the Lot, the Auctioneer considers that a dispute has arisen or that there is any other reason for so doing, he has absolute discretion to settle it or to re-offer the Lot.

(c) Each lot is put up for sale subject to any reserve price placed by the vendor. Where there is no reserve price (but not otherwise) the seller has the right to bid either personally or by any one person (who may be the Auctioneer).

(d) All conditions, notices, descriptions, statements and other matters in the catalogue and elsewhere concerning any lot are subject to any statements modifying or affecting the same made by the auctioneer from the rostrum prior to any bid being accepted for the lot.

4. **V.A.T.** The Buyer will be liable to pay V.A.T. at the standard rate on the hammer price on those Lots indicated with a dagger (†) after the Lot number. This V.A.T. is refundable on proof of export by Overseas Buyer.

5. **Premium.** The Buyer shall pay the hammer price together with a premium of 10% of the hammer price. The premium is NOT negotiable and attracts V.A.T. at the Standard Rate and is payable by ALL Buyers.

6. **Recission.** Notwithstanding any other terms of these Conditions, if within fourteen days after the sale Glendinings have received from the buyer of any lot notice in writing that in his view the lot is a deliberate forgery and within twenty-one days after such notification the buyer returns the same to Glendinings in the same condition as at the time of sale and within a reasonable period thereafter by producing evidence, the burden of proof to be upon the buyer, satisfies Glendinings that considered in the light of the entry in the catalogue the lot is a deliberate forgery then the sale of the lot will be rescinded and the purchase price of the same refunded. The vendor agrees to be bound by Glendinings' decision.

7. **Default.** Glendinings disclaim responsibility for default by either the buyer or the vendor because they act as Auctioneers only and therefore do not pay out to the vendor until payment is received from the buyer. Instructions given by telephone are accepted at the sender's risk and must be confirmed in writing forthwith.

8. **Third Party Liability.** Every person on Glendinings' premises at any time shall be deemed to be there at his own risk. He shall have no claim against Glendinings in respect of any accident which may occur or injury, damage or loss howsoever caused, save in so far as the injury, damage or loss shall be caused by the negligence of Glendinings' employees.

VENDORS CONDITIONS

9. **Instructions.** As Glendinings are auctioneers all goods delivered to Glendinings' premises will be deemed to be delivered for sale by auction unless otherwise stated in writing and will be catalogued and sold at Glendinings' discretion and accepted by Glendinings subject to *all the Sale Conditions*. By delivering the goods to Glendinings for inclusion in their auction sales each vendor acknowledges that he or she has accepted and agreed to be bound by all these Conditions.

10. **Loss or Damage.** Glendinings disclaim all responsibility for loss or damage to goods or for unauthorised removal of goods unless caused by the negligence of their employees.

11. **Storage.** Glendinings reserve the right to store or arrange for the storage of goods delivered to them for sale either on their own premises or elsewhere at their sole discretion. They exempt themselves from any liability for loss or damage to goods delivered to their sale rooms without sufficient sale instructions and reserve the right to make a minimum storage charge at 25p per lot per day for such goods (unless the loss or damage is caused by the negligence of their employees).

12. **Right to Sell.** Vendors will be charged for goods left on the premises if the vendor has been requested to remove them and if the goods are not removed within twenty-one days of such request Glendinings reserve the right to sell the goods to defray costs and storage charges.

13. (a) **Insurance.** Unless otherwise instructed in writing all goods on Glendinings' premises and in their custody will be held insured against the risks of fire, burglary and water damage (but not against accidental breakage or damage) for which insurance Glendinings will charge a premium of £1 per £100 (minimum 10p). The value of the goods so covered shall be the gross amount realised, or in the case of unsold lots the best bid, or in the case of goods withdrawn prior to a sale that which the specialised staff of Glendinings shall in their absolute discretion estimate to be the auction value of such goods.

(b) Glendinings shall not be responsible for damage to or the loss, theft or destruction of any goods not so insured upon the owner's written instructions.

(c) Glendinings shall not be responsible for accidental breakage, loss or damage howsoever caused unless directly caused by negligence of their employees.

(d) In respect of any article delivered to Glendinings if the vendor has in force a policy or policies of insurance in which the article is specifically mentioned as being insured whether or not for an agreed sum or value, the vendor shall notify his insurers of and shall himself note Glendinings' interest as bailees in such policy or policies.

14. **Reserves.** (a) All goods are put up for sale WITHOUT RESERVE unless written instruction as to reserve are received by Glendinings prior to the commencement of the sale.

(b) In the event of any reserve price not being reached at auction, Glendinings are empowered to sell after the auction, by private treaty, at not less than the reserve price, as long as the goods remain on Glendinings' premises. In the event of such a sale by private treaty the Conditions of Sale applicable to a buyer governing the auction will apply.

15. **Indemnity.** The Vendor shall duly indemnify Glendinings against any claims in connection with any goods sold by Glendinings on the vendor's behalf.

16. **Value Added Tax.** A vendor who sends for sale by auction any chattel(s) which is an asset of his business must disclose to the Auctioneer whether or not he is a registered person for Value Added Tax purposes and, if so, his registered number and whether or not he intends to operate the special scheme covering works of art, etc. This information must be supplied to the Auctioneer on or prior to delivery of the goods.

BUYERS CONDITIONS

17. **Inspection.** Ample opportunity is given for inspection and each purchaser by making a bid for a lot acknowledges that he has satisfied himself fully before bidding by inspection or otherwise as *to all the Sale Conditions*, the physical condition of and description of the lot including but not restricted to whether the lot is damaged or has been repaired.

18. **Property and Risk.** The property in a lot shall not pass to the buyer until he has paid the purchase price in full but each lot is at the sole risk of the purchaser from the fall of the hammer. Each purchaser shall forthwith give his full names and permanent address and if called upon to do so by the Auctioneer shall forthwith pay to Glendinings such proportion of the purchase price as the Auctioneer may require. If the purchaser fails to do so, the lot may at the Auctioneer's sole discretion be put up again and re-sold.

19. **Removal of Goods.** (a) No purchase shall be claimed or removed until the sale has been concluded. All lots shall be paid for and removed at the buyer's risk and expense by the end of the seventh working day after the sale, failing which the Auctioneer shall not be responsible if the same are lost, stolen, damaged or destroyed, and all lots not so removed shall remain at the risk of the buyer and subject to a minimum warehousing charge of 25p per lot per day. If they are not paid for and removed within seven days of the Sale the Auctioneer may re-sell them by auction or privately without notice to the buyer. Any liability which there may be on the part of the Auctioneer in respect of any loss shall be restricted to a maximum of the price paid by the purchaser of the lot.

(b) If any buyer fails to comply with any of the above conditions the damages recoverable from the defaulter shall include all loss arising from any re-sale of the lot, together with the charges and expenses in respect of both sales, and any money deposited in part payment shall be held by the Auctioneer against the defaulter's liability and may be appropriated in settlement of that liability.

(c) Buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. The Auctioneers not to be liable for any discrepancy which might be discovered after the Lots have been removed from their premises.

SALE CATALOGUES

On the average we issue twelve or more Coin Catalogues and three Naval & Military Medal Catalogues each year, some of which are usually of Sales of important Collections.

CATALOGUE SUBSCRIPTIONS

Sale Catalogues, frequently illustrated, are normally posted to Subscribers about three weeks prior to the date of Sale.

Lists of "Prices Bid" are issued after each Sale, thus giving at a glance a reliable guide to value. The final test of value must always be auction prices rather than the figures given in books of reference, for changing times and fashions soon render the latter obsolete and misleading. The Lists of "Prices Bid" will probably be enclosed in a following Sale Catalogue.

AIR MAIL POSTAGE

To allow subscribers resident outside Europe time to submit Postal Bids, Sale Catalogues will, if desired, be sent by Air Mail. Air Mail postage is not, however, included in the Subscription Rate and the cost must be borne by the Subscriber. In such cases a deposit against the cost is required.
